BEST PERFORMANCE ARTIST, MALE

David Rohn

Artist and performer David Rohn has developed his diverse original characters through time and perspiration. Whether as a transvestite at an Eighth Street motel; as Katzenjammer, an art dealer at a gallery in the Design District; as himself (at a moving performance at the Snitzer Gallery last summer); or more recently, as Esperanza (the tallest and purest bride in history) in his *Marry Me Western Union* series at Carol Jazzar Contemporary Art, Rohn is always intense, unpredictable and witty. Above all, he's authentic.
